

# Trail Rules

The A.J. Jolly Horse Trails are maintained by volunteers organized through the Northern Kentucky Horse Network.

To ensure access to the trails will continue for generations to come and to help maintain a sustainable trails system, please respect park rules and the land on which you ride.

- State Law requires a current Negative Coggins and Health Certificate.
- Ride only on marked trails and do not ride onto private property or ride your horse to the lake.
- Please do not litter.
- Riding on the road is only permitted in marked areas.
- Please do not tie horses to trees.
- No alcohol.
- No smoking during dry conditions, and please use caution when smoking at all times.
- Please pick up all manure and hay in the parking area.
- Protect trails. Riding during wet weather is not encouraged.
- Please park vehicles so gates, roads and parking areas are not blocked.
